In you are applying for this grant in collaboration with other Nonprofit(s), please list their total annual operating budget(s).

12. **Title of Grant Request**

How would like us to refer to this Grant Request

## ***Focus Grant 2022 Request***

1. **Grant Description**

Describe your grant request as specifically as possible. Please address how your Grant request will address one or more of the following criteria. These criteria include: Decreasing chronic achievement gaps between student sub-populations, Providing “catch up” instruction and support for students who have experienced learning loss due to COVID, Bolstering early learning programs for students who are lacking school readiness skills, and/or professional training for early childhood providers who can have an impact on student readiness, Increasing families’ ability to support the academic achievement of their children, Increasing rates of post-secondary continuing education for high school students, Building knowledge and expertise in the science of learning, especially the science of learning to read, in the community at large. If this is a collaborative grant request, please designate the responsibilities, roles and funding request of each partner.

2. **Grant Timeline**

Please describe your Grant request timeline. Grants funds can be utilized over a 12- 24 month period. Include major project milestones and the funding support needed.

3. **Grant Objectives**

Provide a summary or overview of your goal of closing the education gap. Then list 3 to 4 measurable objectives or outcomes. What populations will be served? How many participants will you serve over what period of time? What do you hope participants gain from their involvement? Please think in terms of specific, quantifiable objectives that address closing the education gap..

4. **Grant Evaluation**

Grant recipients will be required to submit a year-end report. In light of the grant objectives above, how will your organization access and evaluate your progress in closing the education gap or in preventing the education gap in a target population? Please include the measurement tools used and frequency of evaluation.

5. **Signature - Executive Director**

We the undersigned, if awarded a grant, agree to use the grant money only for the above mentioned purpose and to report on the use of grant funds and the results as specified in the Grant Agreement.

Typed name shall become the signature
