ADD-ON (DONATIONS):

The yearly membership contribution is \$1,100 for Standard members or \$600 for Future Forward members. Of this amount, \$1000 (or \$500 for FF members), is channeled to support various nonprofits, while the remaining \$100 assists in managing operational expenses. Yet, it's important to note that \$100 isn't sufficient to cover the actual cost of maintaining a substantial 501(c)(3) organization in the present climate. Thus, members are urged to consider an optional extra contribution with their yearly membership to aid in meeting operational costs.
