

2026 Board of Director and Officer Nominee Bios

Directors being nominated for their first three-year term:

Camie Johnson

For more than four decades, Camie and her husband have enjoyed the Wood River Valley, first as frequent visitors and now as residents. After raising their two sons in Reno, Nevada, they fulfilled their longtime dream of making the Valley their home.

Introduced to the Wood River Women's Foundation by a neighbor in 2023, Camie first volunteered on the Meet & Mingle Committee before joining the Grants Committee in 2024. Serving on the Grants Committee deepened her appreciation for the Foundation's impact and for the extraordinary nonprofits that enrich the Wood River Valley community.

A retired teacher who specialized in working with children with learning and reading disabilities, Camie enjoys hiking, skiing, biking, and traveling with her husband. They are the proud grandparents of four grandchildren.

Denise McCain

Within 3 months of visiting Ketchum in 2014, Denise and her husband found their Ketchum home and began happily splitting time between Ketchum and Pacific Palisades, where they raised their three children. With deep experience in collective giving, she was excited to read a 2022 feature article about the WRWF in the newspaper and immediately joined online. She has recently served on the Finance, Communications and Grants committees, and is looking forward to expanding her involvement in the WRWF.

Denise brings with her a broad professional background in law, public policy, education, philanthropy, and nonprofit management and has served on numerous nonprofit boards including the Everychild Foundation (a LA-based women's collective giving organization). She also serves on the Advisory Board of Spur Foundation. Denise enjoys the Valley's year-round outdoor and cultural activities and loves sharing them with her husband, children and grandchildren.
